Welcomes you to

Education Week 2021

Education Week is an annual celebration of public education in New South Wales, running 26-30 July in 2021. This year's theme is 'Lifelong Learners', as continuous learning is critical for success throughout life.

More information about Education Week can be found here:

Kellyville Ridge Public School is putting together an array of presentations from each of our amazing classes to share our fabulous learning journeys so far this year. Keep an eye out for this coming soon on our school app.

To further support our online learning adventure in Education Week 2021, we are also participating in the **Littlescribe's Mini-writing Festival** where each day students will access a different author/illustrator and complete activities to inspire and strengthen their writing skills. Future activities will also link back to some of these author experiences.
